MEMBER RESPONSIBILITIES

The Prologue to the Membership Pledge states that you have been brought into: “. . . an organization dedicated to the promotion of boating safety and providing assistance to the Coast Guard in the fulfillment of its civil functions. You accept this membership as a volunteer, but as a member you are charged with certain responsibilities and obligations. These include your willingness to support the Coast Guard Auxiliary and its purposes and to participate in its authorized programs to the best of your ability and to the extent that time and circumstances permit.”

MEETINGS

Your attendance at Flotilla Meetings is very important. At our meetings we will share information regarding:

Division activities • Commander's report • Communications Staff Officer Reports • Old Business • New Business • In-Flotilla training • Fellowship

Attending these meetings will keep you up to date on all of the Flotilla's activities. It will also enable you to meet and interact with other members in the Flotilla. It is your right and responsibility to VOTE at these meetings.

Staff Meetings may also be scheduled for elected and appointed officers, as well as committee chairpersons. All members are welcome to attend these meetings.

UNIFORMS

The Auxiliary uniform is similar to the Coast Guard uniform and needs to be worn when on any mission where you represent the Auxiliary or the Coast Guard. It is the responsibility of members to purchase and maintain a uniform appropriate to the activities in which they will participate. All uniform purchases are tax deductible.

As a new member you should consider purchasing the **Tropical Blue Uniform**. This basic uniform, both summer and winter versions, can be worn for most Auxiliary activities. This uniform, as well as the **Service Dress Blue, Operational Dress Uniform**, and all other options of uniform selection and their appropriate use, is outlined in detail in Chapter 10 of your Auxiliary Manual. The **Flotilla Personnel Officer (FSO-PS)** will be able to help you order the clothing for your uniform and the **Flotilla Materials Officer (FSO-MA)** can order the insignia and devices needed to make it complete.

MANUALS

You have already received your Auxiliary Manual. This is the first of many manuals and other publications that you will obtain as a member of the Auxiliary. Your membership in this organization will be enhanced by the information contained in them. *It is important for all members to read their manuals and keep them updated.*

ACRONYMS

What in the world is an AUXOP, DCP, or FSO-? One of the first puzzles for a new member is the shorthand (acronyms) with which we sprinkle our conversations and writing. It's the "insider" Auxiliary language, just like other insider languages. Acronyms are a part of the game. Don't become frustrated; no one knows them all. Ask a fellow Auxiliarist or look them up in Enclosure 2 in the back of your Auxiliary Manual or on the Auxiliary website at: www.cgaux.org.

MEMBER NUMBER

You have been given an official Member Number. From this point on, your status, activities and accomplishments will be recorded in the Auxiliary Data System (AUXDATA) using that number. The Coast Guard has provided you with a Membership Card. A space for your Member Number is provided on your card. It is important that you know and understand your Member Number.

Each year you will receive a notice when dues are payable. Your total dues are divided into four parts: flotilla, division, district, and national. You pay your total to the flotilla and the Flotilla Finance Officer (FSO-FN), in turn, sends the appropriate portions of your dues to the other levels of the organization. Our dues help to support Auxiliary activities at all levels of the organization and are tax deductible.

REPORTING

The status, qualifications, and activities of all members and units in the USCG Auxiliary are tracked in the Auxiliary Data System (AUXDATA) utilizing the member number. Since the Auxiliary plays a significant part in the USCG accomplishments, it has a direct bearing on USCG funding. Reporting is very important to you, your Flotilla and Division and the Coast Guard.

Who We Are ... TEAM COAST GUARD

The Auxiliary is the non-military, volunteer arm of TEAM COAST GUARD, working alongside the Active Duty Coast Guard and Reserve within the sphere of the Coast Guard's civil functions. The word "volunteer" makes a big difference. Auxiliary authority isn't like the military or business authority. Although we have rules and regulations to follow, we depend completely on support and cooperation. Your leaders are volunteers too, and cooperation is a two-way street.

HOW USCGAUX IS LIKE USCG:

- We represent the federal government
- We qualify through training
- We wear uniforms, observe military "good" manners
- We do not take sides in political activities to raise funds
- Our activities are limited to approved programs

HOW USCGAUX DIFFERS:

- We aren't paid with money
- We don't enforce the laws
- We elect our leaders
- We furnish and maintain our own equipment
- We can choose to participate
- We work where we live instead of living where we work

POLICY MAKING

Only the Coast Guard Commandant and the National Board make policies; the rest carry out these policies. Within the parameters of these policies, districts may create their own policy manuals. The members decide, by vote, within which areas and at what level the Flotilla will participate.

FLOTILLA LEADERS

A complete description of the duties of the elected and appointed officers can be found in the **Flotilla Procedures Manual**. The Flotilla Commander has a copy of this publication. Names and addresses of your Flotilla officers can be found in the Flotilla Roster.

Flotilla elections are held in the fall of the year, after the division elections. At that time we elect our **Flotilla Commander (FC)** and **Flotilla Vice Commander (VFC)** to serve for one year. The FC then appoints the Staff Officers (FSOs) who also serve for one year, beginning 1 January. Staff Officers are responsible for reporting on a monthly basis to the VFC and to their corresponding Division Staff Officer on activities in their area of concentration. A member may hold more than one office, but no one may hold more than one elected office at a time.

The Flotilla Commander (FC) also appoints Flotilla Committees for Fellowship, Nominations, Historian, Audit, etc. FC also serves on the Division Board and helps to elect the Division Commander (DCDR) and Division Vice Commander (DVCDR).

Should you desire to seek elected office at some time in your career as an Auxiliarist, you should talk to the **Member Training Officer (FSO-MT)** about completing the required **Administrative Procedures Course**. All qualifications for elected office can be found in your Auxiliary Manual. Should you be interested in serving as a Flotilla Staff Officer, be sure to discuss the requirements with your Flotilla Commander.

SELECT YOUR MISSIONS

There are many other opportunities for service within the Auxiliary. Ask the **Flotilla Personnel Officer (FSO-PS)** to explain some of the clerical, administrative, technical and social tasks that need to be done for the Auxiliary and to assist the Coast Guard.

Select the activity that interests you the most. Our Flotilla has many interesting ways in which you can participate. **We need your help** and are looking forward to your participation.

What Do You Get Out of It?

The benefits of membership in the Coast Guard Auxiliary are many—some tangible and some intangible. As a member of the US Coast Guard Auxiliary, you'll proudly wear the uniform and insignia of office and fly the Auxiliary ensign while participating in many of the activities involved in the Auxiliary's missions of Recreational Boating Safety and Support of the Coast Guard. In addition to the pride and satisfaction that comes to every volunteer, Auxiliarists enjoy many valuable benefits and privileges not available to the general public. For additional information, contact your Flotilla Commander:

COAST GUARD FEDERAL CREDIT UNION

The Coast Guard Credit Union provides all the services of a bank, but returns profits to the members instead of the stockholders. From savings and checking accounts to home equity lines of credit, the Credit Union has a lot to offer. For more information you can call toll free: 1-800-554-4590

COAST GUARD MUTUAL ASSISTANCE

Mutual Assistance provides an emergency fund that can provide fast financial relief when a member faces an unexpected or "impossible" financial burden that would cause personal hardship if no assistance were provided. Auxiliarists may apply for such a loan and are considered as "Sponsor Members" under the program. If approved, the emergency loan is interest free: 1-800-881-2462

COAST GUARD WORK-LIFE PROGRAMS

Auxiliarists can take advantage of certain Coast Guard Work-Life Programs such as:

- Family
- Wellness
- Dependent Resources
- Employee Assistance

A variety of insurance programs cover the Auxiliarist operating under Coast Guard orders. This includes medical, hospitalization, disability, and death benefits should an accident occur in the performance of your duty.

If your boat, aircraft, or other authorized Auxiliary facility is damaged or destroyed while legitimately engaged in Auxiliary operations, coverage for repairs or replacement will be provided. Liability insurance protects the Auxiliarist from third-party claims made as a result of actions that occur when the Auxiliarist is performing authorized missions and has been properly assigned to duty.

In order to maintain this coverage, all incidents and accidents must be reported to your issuing authority for the mission. As a caution, there must be strict adherence with the terms of all Coast Guard regulations and orders, as well as the Auxiliary Manual or the claim will be denied.

EXCHANGE PRIVILEGES

Auxiliarists in uniform, with proper identification, can purchase anything sold in the Coast Guard Exchange Stores except liquor and cigarettes. Dependents may accompany Auxiliarists to the Exchange, but may not make individual purchases. Members of the Auxiliary are also welcome at other Department of Defense Exchanges, but only uniform items or accessories may be purchased.

PUBLICATIONS

Members receive the Auxiliary National publication, *The Navigator*, their own District publication, and other bulletins to keep abreast of Coast Guard, Auxiliary and general boating information.

UNIFORMS AND AWARDS

The pride of wearing the Auxiliary uniform is amplified by awards and advancement, with ample opportunities to receive recognition by completing Auxiliary training courses and participating in programs authorized by your Flotilla leadership.

TAX DEDUCTIONS

Uniforms, their cleaning and maintenance, and reasonable out-of-pocket expenses incurred in the performance of your duties are considered contributions for tax purposes. The foregoing is not intended to be advice on deductibility. You should consult your professional tax advisor.

Enjoying doing something useful with friends may be the benefit that will bring satisfaction to your membership. That could mean tossing a towline to a distressed boater, or tossing a salad at a flotilla picnic. It could mean being a student or an instructor, checking a boat or an exam, using computer skills or accounting skills ... it could mean a lot of things.

IT IS UP TO YOU ... a little or a lot, once a month or once a day—something that interests you and "as your time and circumstances permit." The personal benefits and satisfaction that you receive from your membership will depend upon your choice and level of participation

WELCOME ABOARD!
